The Committee works from the following four lists:

1. Did Not Qualify List (DNQ)
Applicants placed on this list did not meet the minimum qualifications and will be notified by a letter stating the reasons for failing to qualify, the requirements for admission, and appeal rights available.
2. Pool of Eligibility List (POE)
This list is for applicants who have met all the qualifications as described in the opening announcement. However, they will not be eligible to be scored, ranked, and placed in employment until they:
 - Have passed the math placement test within the last 12 months.
 - Have passed high school /college Algebra I or equivalent within the last 12 months.
3. Ranked List of eligible applicants
This is a list of applicants who have met all the qualifications, including math placement test and have been scored. Applicants are ranked from highest to lowest based upon points.
4. Ready for Employment List (RFE)
The top 20 applicants from the Ranked Pool of Eligibles List will be placed in the RFE list. As applicants are hired off this list, the next group of applicants from the Ranked list will be added once the RFE list is down to 10 names.

Applicants will be removed from the RFE list for the following reasons:

1. Hired
2. Third refusal to work.
 - a. includes applicants not returning calls from potential employers.
3. Disconnected phone number
4. Returned mail.
5. The applicant’s request for removal

FREQUENTLY ASKED QUESTIONS

How does the Apprenticeship Program work?

Once you are hired as an apprentice, you will be expected to maintain full-time employment and attend classes.

Where is the school, and how often do I attend?

Classes are held at the Inside Electrical Area 1 JATC facility which is located at 6915 NE 42 Avenue in Portland, Oregon, or our satellite facility at 1006 NE 146th St, Vancouver, WA. Regularly scheduled classes are one evening per week from 6:00 pm to 10:00 pm during the school year. You will also be required to attend occasional labs.

How much does the school cost?

As of September 1, 2023, tuition costs approximately \$680.00 biannually, plus books and lab fees.

Where will I work?

Our apprentices may only work for Approved Training Agents. Training Agents are licensed electrical contractors in the area who hire and train our apprentices. Once you are on the Ready for Employment list, the staff will provide you with a list of approved contractors.

What is “on-the-job” training?

On-the-job training is earning while you learn. You will work under the direct supervision of a licensed Journeyman Electrician to learn your trade while also attending evening classes.

How much will I earn?

Starting wage for a Period 1 Apprentice is \$19.77 per hour as of January 1, 2024. Regular re-rates are earned as you progress through your classes and accumulate on-the-job hours.
